Civil Penalty

33. Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), provides that any person who violates Section 313 of EPCRA, 42 U.S.C. § 11023, shall be liable to the United States for a civil penalty of up to \$25,000 per violation. Pursuant to the Adjustment of Civil Monetary Penalties for Inflation, 40 C.F.R. Part 19, as revised (73 Fed. Reg. 75340-46 (December 11, 2008)), violations of Section 313 of EPCRA, 42 U.S.C. § 11023, which occurred after January 12, 2009, are subject to an increased inflation-adjusted statutory maximum penalty of \$37,500 per violation.

34. In settlement of EPA's claims for civil monetary penalties for the violations alleged in this Consent Agreement, Respondent consents to the assessment of a civil penalty in the amount of EIGHTEEN THOUSAND TWO HUNDRED DOLLARS (\$18,200.00), which Respondent agrees to pay in accordance with the terms set forth below. Such civil penalty shall become due and payable immediately upon Respondent's receipt of a true and correct copy of this CAFO, fully executed by all parties, signed by the Regional Administrator or the Regional Judicial Officer, and filed with the Regional Hearing Clerk. In order to avoid the assessment of interest, administrative costs, and late payment penalties in connection with such civil penalty, Respondent must pay such civil penalty no later than thirty (30) calendar days after the date on which this CAFO is mailed or hand-delivered to Respondent.
35. The aforesaid civil penalty set forth above in Paragraph 34, above, is based on a number of factors, including, but not limited to, the facts and circumstances of this case, the statutory factors set forth in Section 325(b)(1)(C) of EPCRA, 42 U.S.C. § 11045(b)(1)(C), and the penalty criteria set forth in EPA's *Enforcement Response Policy for Section 313 of the Emergency Planning and Community Right-to-Know Act (1986)* (August 10, 1992), as amended. Complainant has also considered the Adjustment of Civil Penalties for Inflation, 40 C.F.R. Part 19, and the November 16, 2009 memorandum by EPA Waste and Chemical Enforcement Division Director Rosemarie A. Kelley *Adjusted Penalty Policy Matrices Based on the 2008 Civil Monetary Penalty Inflation Adjustment Rule* ("Kelley Memorandum"). The settlement in this proceeding is consistent with the provisions and objectives of Section 313 of EPCRA, 42 U.S.C. § 11023, and 40 C.F.R. Part 372.
36. Respondent shall pay the civil penalty amount assessed in Paragraph 34, above, plus any interest, administrative fees, and late payment penalties owed, in accordance with Paragraphs 37, 38, 39, and 40, below, by either cashier's check, certified check, or electronic wire transfer, in the following manner:

37. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment as specified herein shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.

38. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a true and correct copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within

thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).

39. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period a debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
40. A late payment penalty of six percent per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
41. Respondent agrees not to deduct for federal tax purposes the civil monetary penalty assessed in this CAFO.

Certification

42. The individual who signs this Consent Agreement on behalf of Respondent certifies that the Facility referred to in this Consent Agreement, based on inquiry of those individuals immediately responsible for reviewing the status of the Facility's Toxic Release Inventory Forms, that the Facility is currently in compliance with all applicable requirements of EPCRA Section 313, 42 U.S.C. § 11023, for the 2010 reporting year, with the exception of formic acid for which Respondent filed a Form R with EPA and the State of West Virginia on February 14, 2012, and also disclosed this late filing to EPA in a letter dated February 13, 2012.

Other Applicable Laws

43. Nothing in this CAFO shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations.

Reservation of Rights

44. This Consent Agreement and the accompanying Final Order resolve only EPA's claims for civil penalties for the specific violations of Section 313 of EPCRA, 42 U.S.C. § 11023, alleged herein. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice. Further, EPA reserves any rights and remedies available to it under EPCRA, the regulations

promulgated thereunder, and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO, following its filing with the Regional Hearing Clerk.

Scope of Settlement

45. The settlement set forth in this CAFO shall constitute full and final satisfaction of Complainant's civil claims for penalties for the specific violations alleged herein. Compliance with the CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.

Parties Bound

46. This Consent Agreement and the accompanying Final Order shall apply to and be binding upon the EPA, the Respondent and the officers, directors, employees, contractors, successors, agents, and assigns of Respondent. By his or her signature below, the person who signs this Consent Agreement on behalf of Respondent is acknowledging that he or she is fully authorized by the party represented to execute this Consent Agreement and to legally bind Respondent to the terms and conditions of this Consent Agreement and the accompanying Final Order.

Effective Date

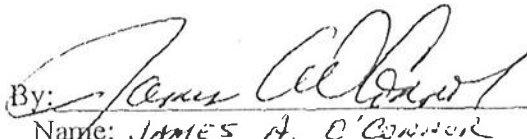

47. The effective date of this Consent Agreement and the accompanying Final Order is the date on which the Final Order, signed by the Regional Administrator of EPA, Region III, or his designee, the Regional Judicial Officer, is filed with the Regional Hearing Clerk pursuant to the Consolidated Rules of Practice.

Entire Agreement

48. This Consent Agreement and the accompanying Final Order constitute the entire agreement and understanding of the parties regarding settlement of all claims pertaining to the specific violations alleged herein and there are no representations, warranties, covenants, terms, or conditions agreed upon between the parties other than those expressed in this CAFO.

**NOTICE OF SECURITIES AND EXCHANGE COMMISSION REGISTRANTS' DUTY TO DISCLOSE
ENVIRONMENTAL LEGAL PROCEEDINGS**

Securities and Exchange Commission regulations require companies registered with the SEC (e.g. publicly traded companies) to disclose, on at least a quarterly basis, the existence of certain administrative or judicial proceedings taken against them arising under Federal, State or local provisions that have as their primary purpose of protecting the environment. Instruction 5 to Item 103 of the SEC's Regulation S-B (17 CFR 229.103) requires disclosure of these environmental legal proceedings. For those SEC registrants that use the SEC's "small business issuer" reporting system, Instructions 1-4 to Item 103 of the SEC's Regulation S-B (17 CFR 228.103) requires disclosure of these environmental legal proceedings.

If you are an SEC registrant, you have a duty to disclose the existence of pending or known to be contemplated environmental legal proceedings that meet any of the following criteria (17 CFR 229.103(5)(A)-(C)):

- A. Such proceeding is material to the business or financial condition of the registrant;
- B. Such proceeding involves primarily a claim for damages, or involves potential monetary sanctions, capital expenditures, deferred charges or charges to income and the amount involved, exclusive of interest and costs, exceeds 10 percent of the current assets of the registrant and its subsidiaries on a consolidated basis; or
- C. A governmental authority is a party to such proceeding and such proceeding involves potential monetary sanctions, unless the registrant reasonably believes that such proceeding will result in no monetary sanctions, or in monetary sanctions, exclusive of interest and costs, of less than \$100,000; provided, however, that such proceedings which are similar in nature may be grouped and described generically.

Specific information regarding the environmental legal proceedings that must be disclosed is set forth in Item 103 of Regulation S-K or, for registrants using the "small business issuer" reporting system, Item 103(a)-(b) of Regulation S-B. If disclosure is required, it must briefly describe the proceeding, "including the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the proceedings and the relief sought."

You have been identified as a party to an environmental legal proceeding to which the United States government is, or was, a party. If you are an SEC registrant, this environmental legal proceeding may trigger, or may already have triggered, the disclosure obligation under the SEC regulations described above.

This notice is being provided to inform you of SEC registrants' duty to disclose any relevant environmental legal proceedings to the SEC. This notice does not create, modify or interpret any existing legal obligations, it is not intended to be an exhaustive description of the legally applicable requirements and it is not a substitute for regulations published in the Code of Federal Regulations. This notice has been issued to you for information purposes only. No determination of the applicability of this reporting requirement to your company has been made by any governmental entity. You should seek competent counsel in determining the applicability of these and other SEC requirements to the environmental legal proceeding at issue, as well as any other proceedings known to be contemplated by governmental authorities.

If you have any questions about the SEC's environmental disclosure requirements, please contact the SEC Office of the Special Senior Counsel for Disclosure Operations at (202) 942-1888.
